

When graduates complete the graduation application, they will be asked how many tickets they would like to request for the ceremony.

- Students are able to request up to ten (10) tickets for the graduation ceremony within the graduation application.
- **Graduates do not need a ticket.**
- Children under the age of 2, that are sitting on a parent/guardian's lap, do not require a ticket.
- ALL tickets will be available for pick up at the registration table on the day of the ceremony.

Extra Tickets for Graduation

- Each graduation venue has limited seating, and our priority is to ensure all families receive their allotted tickets before considering additional requests.
- To accommodate graduates needing more than 10 tickets, PA Cyber will accept additional ticket requests from May 5th to May 27th.
- Families in need of additional tickets **MUST** complete the additional ticket request form, located at the bottom of this page.
- Additional tickets are available on a first-come, first-served basis.
- Requests will be reviewed after the request window closes on May 27th. Families will be notified of the outcome at that time.
- Families with multiple graduates may receive a maximum of 20 tickets.
- Please note: Once you submit your request, no changes can be made. Please contact your Academic Advisor or email pacgraduation@pacyber.org with all of your graduation questions or concerns.

The Extra ticket window will be open on May 5th and will close on May 27th.
