

As you prepare for graduation, there are **two steps** that you **must complete** in the graduation process:

1. **Graduation Application:** The Graduation Application must be completed by all graduates, including both students who are participating in an in-person graduation ceremony and students who are not participating in a graduation ceremony.
2. **Cap & Gown:** A cap and gown must be ordered by all graduates who are participating in an in-person graduation ceremony.

Graduation Application

- The link to the Graduation Application can be found by clicking [here](#).
 - The Graduation Application must be completed by **ALL** graduates.
- As you navigate through the Graduation Application, please fill out **ALL** prompted areas of the application. Do not skip any steps.
 - **Deadline to submit the Graduation Application is April 17th.**
