Pictures

If you did not submit a picture with your application, there is a link below for you to upload your picture. This is completely optional but if you do add in a picture, it will be projected onto a screen before the graduation commencement begins.

Picture Requirements

Prior to submitting your graduation picture, you should keep the following requirements in mind.

- The picture must be of you, preferably by yourself, and show your face. Please, no Snapchat filters.
- If PA Cyber determines that your picture is inappropriate, we will contact you and ask that you submit a new photo. Only your name and information will be displayed if an alternative picture is not provided.
- When submitting your picture, please name the picture your name and student ID. (EX: John JD12345).
- Your Picture must be submitted in a .JPEG format.
- This picture does not need to be of you in your cap and gown.

Submission Deadline

Deadline for submitting your picture is **May 9th**.
