

The following questions will be projected onto a screen with your picture (if you submitted one) before the graduation commencement begins for families to watch.

Slide Show Requirements

Prior to answering the slide show questions, here are a few helpful tips.

- **What is your current town or where you grew up?**
 - Please tell us where you live/lived during your schooling.
- **What are your future plans?**
 - In a few short sentences with proper capitalization and punctuation, let us know what you are doing next. Please don't put "IDK" that is not appropriate to place on a slide for everyone to read. If you are not sure, feel free to leave it blank.
- **Who or What is your inspiration?**
 - This should be the length of a tweet, 200 characters or less.

Below are some examples of what your slide could look like:

For questions regarding your picture, please refer to our FAQ document.

Submission Deadline

Please submit the answer to these questions while filling out the application.

**Should you need to make any changes and/or adjustments, please email pacgraduation@pacyber.org
